### SCHOOL AND COMMUNITY PROFILE

Varina High School is one of nine high schools in Henrico County with opportunities available at two Advanced Career Education Centers. The Varina High School zone covers the eastern corridor of the county and also houses one of the county's ten specialty centers. Varina High School has a population of approximately 1500 students in grades 9-12. The faculty consists of approximately 120 teachers, 6 school counselors and 6 administrators. Varina houses the Center for Communications consisting of approximately 100 students and 5 faculty members.

### ACADEMIC CHARACTERISTICS

The school year is divided into two semesters. A semester is 18 weeks with two nine-week reporting periods. Seven classes meet every Monday for 45 minutes and for 90 minutes on alternating days. In addition to the seven classes, there is a shorter study/activity period. The curriculum offers a variety of college-prep, Advanced Placement and honors courses as well as a variety of electives in business, marketing, family and consumer sciences, technology education, fine arts and the general academic areas.

All HCPS courses for SY20-21 appear with a "DL" (Distance Learning) designation on the high school transcript as a result of VDOE procedures for data collection requiring section coding to reflect instructional delivery in a fully-virtual or blended-learning format in response to the COVID-19 pandemic.

#### AP Curriculum

Specialty Center Courses				

### Specialty Center: Center for Communications

The Center for Communications offers a comprehensive and rigorous college-preparatory program of studies with specialized learning in writing and communication skills. Courses provide opportunity for students to become critical thinkers and problem solvers in academic study while enhancing skills in the fields of television, multimedia, photography, computer information systems, graphic design, mass media, advertising, journalism and public relations.

### GPA and CLASS RANKING

Class rank and grade point average are determined by the levels of courses taken and the grades earned in those courses. Grades earned in courses completed in middle school that were awarded a high school credit will not be computed as part of the high school cumulative GPA. High school courses completed during the summer before entering ninth grade will be included in the GPA. Students are ranked numerically in ascending order, according to GPA, at the end of the junior year and at the end of first semester of the senior year. Students who are earning either a Standard or an Advanced Studies diploma are included in class rank. Beginning with the class of 2017, total grade points include an additional 0.5 quality point for any honors and a 1.0 quality point for any AP/dual-enrollment class taken.

### Grading Scale (effective Sept. 2, 2014)

Letter Grade	Percent Grade	4.0 Scale
A+	97-100	4.0
